

Symposium Programme: 28th August 2026, Aula Biologica

08:45–09:15	Registration and coffee
09:15–09:30	Welcome and introductory remarks Matthew Francis
09:30–10:30	Session I (Immunology) <i>(Chair: Abdelbasset Yabrag, Sena Gizem Süer)</i> Speakers: <i>Corrado Cilio, Anaïs Le Rhun</i>
10:30–10:45	Coffee break
10:45–11:45	Session II (Cancer research) <i>(Chair: Iryna Yakovenko, Aparna Biswas)</i> Speakers: <i>Jonas Nilsson, Eric O’Neil</i>
11:45–13:00	Lunch
13:00–14:30	Session III (Neuroscience) <i>(Chair: Florian Albrecht, Arabela Vivar Morón, Najat Dzaki)</i> Speakers: <i>Jonas Muhr, Johan Ericson, Perpétua Pinto de O</i>
14:30–14:45	Coffee break
14:45–16:15	Session IV (Industry with public health) <i>(Chair: Sander Lempereur, Eirini Antoniou, Haonan Fan)</i> Speakers: <i>Sara Byfors, Nabil Karah, Pär Comstedt</i>
16:15–16:30	Closing remarks Matthew Francis

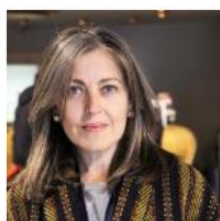

Each scientific session consists of 20-minute presentations by distinguished alumni of the Department, followed by 10 minutes for discussion.

Eric O'Neill
Professor of Cell and Molecular
Biology (Oncology)
Oxford University

Jonas Muhr
Professor of Eukaryotic
Molecular Biology
Karolinska Institutet

Perpetua Pinto-do-Ó
Senior Investigator
Stem Cells and Regenerative
Biology
Universidade do Porto

Jonas Nilsson
Professor of Experimental
Cancer Surgery
Gothenburg University

Sara Byfors
Head of Department
Department of Microbiology
Public Health Agency of Sweden

Anaïs Le Rhun
Group Leader
Bacterial RNA Biology
INSERM / University of Bordeaux

Pär Comstedt
Vice President
Infectious Disease Vaccine Development
Evaxion Biotech, Denmark

Corrado Cilio
Professor of Diabetes –
Immunovirology (Pediatrics)
Lund University

Johan Ericson
Professor of Developmental
Biology
Karolinska Institutet

Nabil Karah
Senior Project Advisor
NORWAC - Norwegian Aid Committee
