Order of priority for granting Erasmus+ Traineeship Scholarships

If limited funding makes it necessary to choose between applicants, the selection will be made based on the following criteria:

- Students who are planning their first traineeship abroad with scholarship support have priority over former Erasmus+ or Leonardo da Vinci traineeship grantees.
- Students who are planning a traineeship as a part of their degree have priority over students who are planning to go abroad as recent graduates or for example during summer between the terms (i.e. traineeships that is awarded credits will be given higher priority).
- Students who are planning to spend their traineeship in their home countries will be ranked lower than other students.
- Student's motivation (on the application form) to be granted the scholarship
