SELECTION

The Foundation of Per and Eivor Wikström Board will make its assessment based on quality of the application and available funds. If you are granted a scholarship, you will receive it at the beginning of the exchange period.

The scholarship amount can differ from year to year, depending on the total number of granted applications and the amount of total funds. Last years the scholarship has been 12.000 SEK.

State your reasons for studies at the chosen University. Please note: It must be clearly stated in the letter that it concerns an application for a scholarship from the Foundation of Per and Eivor Wikström.

The letter of motivation should also include home institution and period for the exchange (i.e. fall/spring/academic year) and what type of courses you aim to study (including any language courses).

ABOUT THE FOUNDATION

The Foundation of Per and Eivor Wikström was founded 1996 by a donation from Per and Eivor Wikström. The goals of the foundation is to support higher education, research, and studies that are focused on the swedish integration with french-speaking countries.

The foundation realises its goals mainly through granting scholarships to individual researchers and students at USBE.
