

### Samlad bedömning för:

Kurs: Dietary assessemnt methods	Kurskod: 2KN030	Start och slutdatum: 2017016-20170321
Antal registrerade på kursen: 7	Antal svar på skriftlig kursutvärdering: 5	
Datum för möte (programsamordnare, lärarrepresentanter och studentföreträdare): Inte aktuellt	Datum för samlad bedömning: 20170607	

Detta har fungerat (särskilt) bra

- Uppgifterna hjälpte att uppnå förväntade studieresultat

Detta har fungerat mindre bra

- En del studenter var inte nöjd med kurslitteraturen
- En del studenter tyckte att strukturen i cambro var svår. Vi kommer dock att testa denna struktur ytterligare en termin eftersom att svaren var spridda

Förändringar som är nödvändiga att genomföra inför nästa kurstillfälle

- Kurslitteraturen kommer att ses över. Inom området kostundersökningsmetodik finns dock ett begränsat utbud

Förändringar som ev kan bli aktuella att genomföra på längre sikt

- Vi kommer att sammanställa en "FAQ" i Cambro för de olika uppgifterna

Bilaga: Sammanställning momentutvärderingar

# Course evaluation Dietary assessment methods, spring 2017

## 1. What are the most important things you have learned during the course?

To critically evaluate validation of dietary data in epidemiological studies.

- What different methods measure and when it's suitable to use them. I also know more about the errors that different methods, are associated with and how to try to avoid them as much as possible.
- To be critical when interpreting studies including dietary assessment methods.
- Positiva och negativa sidor med olika kostundersökningsmetoderna samt hur man kan validera rapporterat kostintag.

## 2. On average, how many hours per week have you devoted to your studies? Only count the hours devoted to this course if you have been taking other courses at the same time.

- 15
- Maybe 20-25? Some weeks are more demanding than others.
- 25
- 10
- 15

## 3. The course as a whole has increased my knowledge in learning outcomes of the course.

5 svar, medelvärde = 4,40

Strongly disagree 0 % (0)  
Disagree 0 % (0)  
Uncertain 20 % (1)  
Agree 20 % (1)  
Strongly agree 60 % (3)

## 4. The course literature helped me achieve the expected learning outcomes

5 svar, medelvärde = 3,60

Strongly disagree 0 % (0)  
Disagree 0 % (0)  
Uncertain 40 % (2)  
Agree 60 % (3)  
Strongly agree 0 % (0)

## 5. What do you think about the lectures in Cambro? The lectures helped me achieve the expected learning outcomes

5 svar, medelvärde = 3,20

Strongly disagree 0 % (0)  
Disagree 40 % (2)  
Uncertain 20 % (1)  
Agree 20 % (1)  
Strongly agree 20 % (1)

## 6. The exercises helped me achieve the expected learning outcomes

5 svar, medelvärde = 4,20

Strongly disagree 0 % (0)  
Disagree 0 % (0)  
Uncertain 20 % (1)  
Agree 40 % (2)

Strongly agree 40 % (2)

**7. Now a question about a new part of the course which concerns the case-report assignment: What do you think about the opportunity to revise the case report after receiving oral feedback on your work from a fellow student (reviewer)? The oral feedback from a fellow student (reviewer) helped me in the work of improving the case-report**

5 svar, medelvärde = 2,60

Strongly agree 20 % (1)

Agree 20 % (1)

Uncertain 40 % (2)

Disagree 20 % (1)

Strongly disagree 0 % (0)

**8. How did you find the structure in cambro (e.g. was it easy to find the material you were looking for)?**

5 svar, medelvärde = 3,00

Unsatisfactory 20 % (1)

Inadequate 20 % (1)

Adequate 20 % (1)

Good 20 % (1)

Excellent 20 % (1)
