

**CV for applicants to
Umeå International School of Public health
Master`s Programmes in Public Health (60 and 120 credits)**

For the recognition of 2 years of work experience

Please read the instructions before you complete the form, starting on next page:

In the information to applicants, we state:

"Priority is given to students with at least two years of work experience within a field relevant to Public Health. Following this, applicants are ranked according to the number of academic credits"

This CV of qualifications must be used if you want us to consider your working experience in the selection of applicants. The information given by you in this CV must be supported with documentation (work certificate from your employer) that you enclose in your application package to your University admissions account. <https://www.universityadmissions.se/intl/start>

Applicants must meet the entry requirements in order to participate in the selection process. Information about basic requirements and documentation can be found on <https://www.universityadmissions.se/en/entry-requirements/masters-requirements/>

The relevant working experience you want to refer to must be from at least 2 years after your undergraduate degree, and please note that if you do not have 2 years of working experience you do not need to complete this form.
Fill in the CV and upload to your account at University admissions.
