

✿ KBC Employee of the Year – Nominations Now Open! ✿

We're excited to invite you to take part in celebrating the incredible people who make KBC a great place to work! The **KBC Employee of the Year** award is your chance to recognise a colleague who goes above and beyond to foster collaboration, positivity, and excellence within our community.

Who can be nominated?

Anyone affiliated with a KBC department – whether they're a PhD student, postdoc, staff scientist, PI, or ATP personnel. You can find the full list of departments here (<https://www.umu.se/en/chemical-biological-centre/kbc-collaboration-partners/>)

What are we looking for?

Nominees should have made a meaningful contribution to improving the work environment at KBC, especially by strengthening collaboration and community spirit ("we" spirit).

How to nominate:

- Send your nomination letter to info.kbc@umu.se by **Thursday, 6 November**.
- Include a short motivation explaining how your nominee meets the criteria and why they deserve to be recognised.
- Please focus on the content of your nomination – no need to collect signatures.

Who decides?

The KBC group (KBC board) will carefully review all nominations and select the winner based on the strength of the motivation, not the number of endorsements.

When will the winner be announced?

Join us at the **KBC DAYS dinner on 11 November 2025**, where we'll reveal and celebrate the Employee of the Year!

Let's take this opportunity to shine a light on the people who make KBC a better, more inspiring place to work. Your voice matters – nominate someone today!

Warm regards,

Anna

on behalf of the KBC group
