

Workflow for European Economic Review Plus and Journal of Public Economics Plus

European Economic Review Plus (EERP) och Journal of Public Economics Plus (PubEcP)

Workflow for Editorial Processing Charge (EPC)

1. Author submits the manuscript to the journal
2. Editor checks if the article is good to go to the peer review process
3. If the Editor finds the article to go to peer review, Editor informs the Journal Manager (JM)
4. JM checks the eligibility of the corresponding author for BIBSAM agreement (Submission date and affiliated with a BIBSAM participating institution)
5. JM contacts the BIBSAM institutional contact with a copy to Kungliga biblioteket to check if the author can make use of the agreement
6. Upon confirmation by BIBSAM, JM informs the author about the agreement and that they do not have to pay an EPC, waives the EPC and releases the article to the peer review process
7. If journal accepts the article for publication, we publish the article as OA
