

UMEÅ UNIVERSITY

Application for parallel studies

Permission to take more than 45 credits per semester requires an approved application for parallel studies. Basic requirements for granting parallel studies are that you have:

- completed 60 credits
- only applied for education at Umeå University.

Fill in the form below with all courses or programmes you wish to study in parallel. The course or programme coordinator at each department concerned must mark whether they approve parallel studies or not and sign their decision. Remember to sign your application. The application must be uploaded on universityadmissions.se no later than the last day for submitting supporting documentation.
